Revival and modernisation of Durgapur, Barauni and Namrup Unit of HFC

2127. SHRIMATI CHANDRA KALA PANDEY: Will the Minister of CHEMICALS & FERTILIZERS be pleased to state:

(a) whether there is any proposal from a German Consortium to revive and modernise Durgapur, Barauni and Namrup Units of HFC:

(b) whether the Consortium includes any Indian Company;

(c) whether the proposal after revamping of HFC units targets a production of more than 9 lakhs MT of Urea per year;

(d) whether the Consortium is prepared to carry out the revival job on a turn-key basis; and

(e) if so, Government's response to the above offer and whether as a promoter Government are prepared to contribute 30% of the financial requirement for revival as per stipulation of BIFR?

THE MINISTER OF STATE OF THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SIS RAM OLA): (a) to (e) A European consortium comprising Grintex GmbH Germany and Technimont S.p.A., Italy has made an unsolicited preliminary offer for participating in the revival of the Durgapur, Barauni and Namrup units of Hindustan Fertilizer Corporation Limited. The offer includes a financing arrangement by way of soft loan/deferred credit to the extent of 70% of the total project cost. The proposal stipulates that the execution of the project be assigned to the consortium on a turn-key basis and that Government guarantee/guarantee of State Bank of India or any other reputed bank be extended in respect of the exposure of the consortium. The consortium has proposed to associate FACT Engineering and Design Organisation (FEDO) for local engineering support. After their revival, it is estimated that the above mentioned units would be able to produce 9 lakh MT of urea per annum.

The conditionalities of the offer of Grintex GmbH require further examination.
